

Challenge3

1) Bash Script to create repo in github.

```
[root@ip-172-31-45-213 scripts]# ./github.bash rakesh_github "testing from challenge"
./github.bash: line 47: syntax error: unexpected end of file
[root@ip-172-31-45-213 scripts]# vi github.bash
[root@ip-172-31-45-213 scripts]# ./github.bash rakesh_github "testing from challenge"
Failed to create the repository. HTTP status: 422
